

BIBLIOTECH

PUBLIC LIBRARY

The nation's first all digital public library

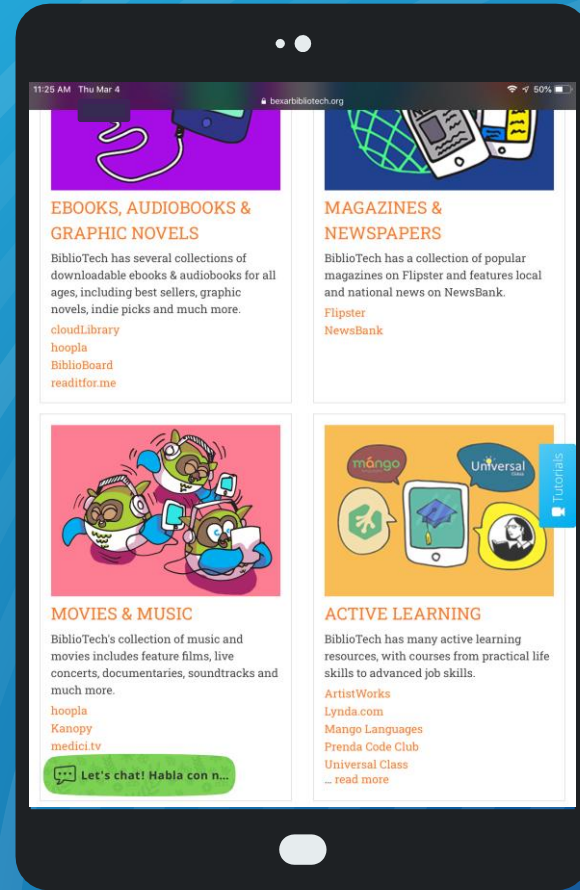

Eligibility & Access

- Currently, residents, taxpayers and employees of Bexar County are eligible to register for a BiblioTech Library card.
- BiblioTech has resources that are accessible online, as well as others that are accessible at our three branches.
- You can sign up for a card on [our website](#) or in person
- Everyone is welcome to come visit our branch locations and use our resources!

Online Resources

BiblioTech library cardholders have access to online resources & apps like:

- E-books, audiobooks
- Movies & Music
- Active learning

Don't have access to internet or a smart device? No problem..

In Person Services

- Devices available to check-out and take home
 - iPad with Siri and VoiceOver function and Kindle Fire tablet - check out for a 6 week period
 - Wi-Fi Hotspot – check out for a 3 week period
- ADA Station offers access to assistive technology and software
 - Pearl Reader, Focus 40 Wireless Braille Display, MagicZoom keyboard
 - OpenBook, Jaws, and MagicZoom
- Free book scanning: all locations have the capability to scan physical books using Pearl Reader and OpenBook to create an audiobook file
